

We call it the Paradise Rewards Club card.
You'll call it the **Payback Card**.

Just a quick glance at your Paradise Rewards Club benefits will tell you that Paradise Rewards Club membership pays you back again and again whether you play Slots, Table Games or both.

THIS IS HOW YOU EARN POINTS

Slot Machines are \$1 Coin In = 3 points earned
Video Poker Machines* are \$2 Coin In = 3 points earned

PARADISE Point Play

Redeem points at your favorite machine for free slot play.

Red	1,500,000 points earned in 6 months
Black	375,000 points earned in 6 months
Platinum	150,000 points earned in 6 months
Gold	No minimum

Move up to **More Rewards**

Advance to higher player levels – Platinum, Black or Red and get even More Rewards from your membership in the Paradise Rewards Club. You always have the comfort of knowing that it's about the points you earn, not about the points you use. You'll maintain your Paradise Rewards Club player level no matter how many points you use! Card levels are subject to change based on evaluated play twice a year.

Table Game players earn complimentary based on tracked play at any of our gaming tables.

Just present your Paradise Rewards Club card to any of our dealers to rate your play.

*Including select additional games
